Hi Zach. I'll probably wait until Sunday to see what else I get, but I'll post anything I get all at the same time.

Do you want your name redacted?

Subject: Waunakee Basketball

To: <district_administrator@waunakee.k12.wi.us>

Hello,

I am writing in support of Waunakee basketball and the current coaching staff. As I understand it, the HC Dana M is up for his performance review.

I am a parent of a 3rd grade boy who participated in youth basketball this season and I coached. Our experience this year was great. Basketball is by far the most well organized leadership from the top down. The varsity coaching staff puts so much time into helping the youth program out. The numbers are strong and the leadership makes it easy for inexperienced parents to step in and have a positive experience for the kids.

I also follow the varsity/JV/freshman teams very closely as well. I can say without a doubt that the Waunakee staff is the best staff in the Badger Conference. As a parent, I look forward to the chance of my son playing for and learning from them. Not only about basketball, but also life lessons they can learn along they way.

Please, for the sake of our youth, retain this staff and continue Waunakee boys basketball success .

Thank you,

Zach Hampton
